

December, 2018

Dear Lake Enthusiast,

We share an appreciation for the Gull Lake Watershed and enjoy all aspects of lake living. Whether you are an angler, a boater, a diver, a skier, a sailor, a swimmer or simply enjoy the view, we agree that keeping our lakes pristine should be at the top of our priorities.

The Gull Lake Quality Organization (GLQO) board and volunteers devote their time, talent and interest to monitor lake quality, provide information and educational opportunities and promote the responsible use of the incredible gift that surrounds us.

We invite all of our neighbors and friends to support this important work. Remember, GLQO relies solely on membership to support our efforts. Join us today!

*Vicki*  
Vicki Gesmundo, President

*Gregg*  
Gregg Pierce, Membership Chair
